Parents are an important part of our school community. The help offered by parents adds to the efficient running of our school as well as enhancing the children’s learning. We realise that many of you are busy with work and family commitments and can not always help out at school, but there are lots of other ways that you can become involved.

Please tick the appropriate boxes and return to school as soon as possible.

☐ Help in the canteen

☐ Cover library books or class readers

☐ Coach or assist with a sport team:
  ☐ Soccer  ☐ Netball  ☐ Touch  ☐ Other

☐ Help with reading groups

☐ Help with fundraising activities

☐ Teach a hobby or craft to a small group ............................................................................................................................

☐ Help with transport

☐ Gardening/watering

Please list any other ways that you feel you may be of help to the school.

................................................................................................................................................................................................

Name: ........................................................................................................ Contact Phone Number: ......................................................

☐ Permission to pass phone number on to the P & C Committee.

The Teachers and children look forward to your involvement this year.
